

# THANKS FOR YOUR VISIT @ ADF

As part of Paris Packaging Week 2022, we had the chance to have personal contact with our customers at "ADF - The Future of Aerosol & Dispensing Packaging" in Paris (Expo Porte Versailles) on June 29 & 30, 2022. After two years without a trade show, it was a great pleasure for us to meet so many important people and have valuable conversations.

**We thank all visitors and are already looking forward to the next meeting.**

**Your Thomas Team**
